To the Student:

These instructions are an important part of training in the Barber/Cosmetology program. All members of the class must observe safety rules and precautions. Habits of carelessness or failure to follow these rules are sufficient cause for dismissal from the class.

All students are required to learn these safety rules as part of the Barber/Cosmetology program. Additional specific safety instructions are taught in the classroom about the various safety operations of machines and other workplace equipment.

All students will be required to pass this safety examination with 100% accuracy and to sign the back page of this examination indicating that you have received these instructions.

This test must be on file in the school records for 5 years.
